

Workgate Barrier

► Conformity

- Meets the requirements of BS873.
- Part 6: Designation 2 when fitted with an appropriate reflective panel (as blue barrier example on right).

► Design points

- Unique design with flexible looped coupling clips.
- Sturdy and very stable once positioned.
- Ideal for siting around short duration works.
- Comes in a variety of colours.
- **Weight:** 2.85kg (each individual barrier section)

► Materials

- **Barrier Frame:** Polypropylene.
- **Link:** Polypropylene.

► Instructions For Use

- Distribute Barrier as per requirements and the requirements of: «The Traffic Signs Regulations and General Directions 2002»
«Safety at Street Works and Road Works»
- Both are published by TSO.

► Cleaning & Maintenance

- The unit may be cleaned with soap and warm water and dried with a soft cloth. The unit should not be cleaned with chemical or abrasive cleaners. Keep clean and in a suitable environment.
